

Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Friday 29 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Heavy rain in the northeast initially and later in south.

This Evening and Tonight:

Rain will clear away northeast followed by clear spells. It will become quite chilly in the glens. Another area of rain will spread north later in the night.

Saturday:

Rain will clear north followed by bright spells and scattered showers. The showers will fade away later to leave a dry and chilly evening with clear spells.

Outlook for Sunday to Tuesday:

Another band of heavy rain will move northeast on Sunday with gusty winds. Showers or longer spells of rain on Monday and Tuesday and turning somewhat colder.
